

THE NEST

HELLO PARENTS!!! I had the privilege this past weekend to rent The Nest for my son's 5th Birthday Party! It was such a success, I wrote Lia right away to ask if I could share my experience with all of you! It seems we are so limited in this town as to the AFFORDABLE and KID FRIENDLY places we can rent to host our children's parties and events. Well, SEARCH NO MORE!!! The Nest is FANTASTIC!!! We arrived an hour before to Miss Lindsay's smiling face. She was helpful and offered whatever was needed to make the party a success! Tables and seating were available. She opened up a nice

classroom right off of the gym area so that the kids could have their own "party area". The kids had a ball with the tree house and the hammock! The adults didn't have to micro-manage and were able to visit! We had so much room

that the party actually ended with a big DODGEBALL FIGHT!!! Best of all, no house to clean up when I got home!!! So, I encourage all of you, take advantage of what we have available to us at The Prep School & The Prep School Academy and RENT THE NEST!

You'll be glad you did! I sure am! Call 334-7700 or 333-2882 to reserve your child's party date today!!!

Best Wishes,

Joanna Anderson (Logan 5's Pod)
